Dear Catholic Trends subscriber:

Unfortunately, Catholic Trends will be going out of print as of Feb. 1, 2008, but Catholic News Service wants to continue bringing you the Catholic news you desire, so we have come up with a way to give you even more information than you are currently receiving in Catholic Trends.

With this new service, "CNS Insider," you will have **daily access** to all the news that Catholic News Service provides through its award-winning worldwide network of reporters. Through our Web site, you will be completely updated on everything that happens in the Catholic world, and also have access to a 10-year archive of CNS materials.

In addition to the daily news, CNS provides analysis of the top news trends through its Vatican, Washington and Latin America letters. If you don't have time to read all the news daily, we provide news briefs.

In order to get this service, go to [www.catholicnews.com](http://www.catholicnews.com) and click on "CNS Insider." For those with online/e-mail Catholic Trends subscriptions, your username and password are the same as your Catholic Trends username and password. For those with print Catholic Trends subscriptions, your username is your first initial followed by your last name, all lowercase (example: ebrosnan), and your password is your zip code.

If you do not want this service or are not happy with it in any way, we will give you a prorated refund of your Catholic Trends subscription. Please contact our business office at 202-541-3290 or at Catholic Trends, Catholic News Service, 3211 Fourth St., NE, Washington, DC 20017 or at [trends@catholicnews.com](mailto:trends@catholicnews.com).

"CNS Insider," which normally costs \$49.95 a year, will give you all the news you want. Your expiration date for this service will be the same as your Catholic Trends subscription expiration date. "CNS Insider" will be ready for you when Catholic Trends ends, Feb. 1, 2008.

Sincerely,

Edmond Brosnan
